

Special Education position: Candidate must have a minimum of 1-3 years experience teaching and managing an IEP caseload. Experience with students in grades 6 - 8 is preferred. The Souderton Charter School Collaborative is located in the northern suburbs of Philadelphia. This award winning and innovative charter school seeks an experienced candidate for a full time special education teacher in the middle grades. Candidate should:

- have experience with programming all aspects of an inclusive educational setting and be able to support students in their IEP goals;
- have sound technical skills with tools such as IEP Writer;
- have collaborative skills and enjoy team-teaching;
- have experience working with students who have reading goals;
- be a self starter who enjoys creating integrated lessons that support learning in all content areas;
- have strength in analyzing student needs and seeking support and resources within the building is necessary.

SCSC has small class sizes allowing for individualized learning and teaching. It embraces a distributed leadership model and supports ongoing and meaningful professional development. Requirements include a bachelor's degree in education with PA teaching certification in Special Education. Starting salaries begin at \$43,000 depending on education and experience.
