

LAURA JEFFREY ACADEMY is the first STEM-focused urban middle school with a girl-focused curriculum. Our purpose is to provide a unique and stimulating education environment where students are free – to explore their potential, discover their brilliance and develop their intellect. We are looking for educators committed to equity in learning for all students. If you are an educator who thinks outside of the box, loves to collaborate with others, we would love to hear from you. Educators of color are encouraged to apply. We are committed to serving a diverse population of students and families.

Laura Jeffrey Academy is currently operating in distance learning and will do so through Quarter 2 which ends on December 22. At that time, the situation will be reassessed using the most current COVID data and latest Minnesota Department of Education guidance.
